

In order to access Disease Management on your Medical Mutual Account, please follow the instruction listed below;

Members should go to MedMutual.com:

- Members are to register for My Health Plan;
- If already registered go to directly to My health Plan;
- In the upper right corner click Healthy Living;
- In the drop-down box, click Disease Management;
- Accept the terms and click submit;
- Click on whichever topic the member wants to view.

Should you have any issues accessing your Medical Mutual account, please feel free to contact our Barrett Benefits Customer Services Representatives:
