

Burton Elementary: Homework Policy

K-3 Homework Policy (Skill Based Practice)

Skill building activities appropriate to grade level needs

LA, Math, Social Studies & Science will work together to review their homework

Read, Read, Read every night :)

(Examples of skill building homework activities for parents to practice at home)

- Math Facts
- Sight Words/High Frequency Words
- Reading at Home (Every Night)
- Studying for Tests
- Simple Solutions (3rd Grade Math)

4/5/6 Homework Policy (Skills Practice/Application)

Academic Lab will be used to complete math content from lessons

LA, Math, Social Studies & Science will work together to review their homework

Simple Solutions sent home for practice

Read, Read, Read every night :)

(Examples of skill building homework activities for parents to practice at home)

- Math Facts/Who Knows it Facts
- Studying for tests/spelling practice
- Reading at home (Every Night)
- Projects rotated between subjects
- Simple Solutions practice pages

We will also make sure to have weekends/holiday breaks homework free so kids can spend time with family and friends to recharge. We will always encourage reading every night!
