

# March 6th Grade Camp Newsletter

**Camp Week is:**

**Tuesday, May 8th - Friday May 11th**

Reminder!!!! Our camp week dates changed:

**TUESDAY, MAY 8 - FRIDAY, MAY 11**

The program will remain unchanged for your children, and it will be AWESOME!

## BE Camp News

Coming UP!

Bake Sale Opportunity:

We will be having a Science Night on Thursday, March 22nd (5:30-7:00 p.m.). There will be huge attendance for this night (as last year was so well attended by the community and the entire school!

Thanks to all who have already signed up! Please bring baked goods in by 5:15 p.m. that night. I'll have a table set up for us! Once again, all profits will benefit the entire BE class in reducing costs!

## LE Camp News

Coming UP!

Parents and PTC are working on setting up more events. Please contact Mr. Morbeto with ideas or questions!

LE - You will be invited to join BE at this Science Night! (See Left) Information will be coming! There will be joint activities for the kids to do that night! It'll be like a "meet and greet!"

## **WATCH FOR IT!!!!**

### **CAMP PERMISSION AND MEDICAL FORMS COMING HOME THURSDAY 3/15/18!**

- Please check all pages to fill them out! Return ASAP to your child's homeroom teacher to help us organize. Thanks!
- Separate photo release is GREAT for camp! We take pictures all day at camp! Then we post it to our own site for you to see activities they are enjoying all week! Thanks for considering this if you have a "NO PHOTO" release at school. We do NOT allow any posts to social media out there!
- See special medical information from Mrs. Pinkava! We have some very specific rules/laws we have to follow!

NOTE: All forms and written prescriptions will be **DUE** to the elementary schools by "tax day" (actually 4/16/18) to allow time for Mrs. Pinkava's organizing!

Camp Parent Information Meeting: This will be in April. I'm setting dates with Camp Whitewood's Director, Andrew Hudak. There will be a meeting at BE and one at LE, but feel free to attend either or BOTH if you like! :)

# Information for All Families of Sixth Graders

## Camp Payments

**Please** notify your building principal or Mrs. Hochschild about any financial issues in paying for camp. We will work with you to help you out, and we have kind sponsors who help families so all students can enjoy and grow with this wonderful week!!

Thanks to those who continue to send in payments!

Remember, the payment plan is an **option** for families to break the amount into smaller payments. Monthly payments not required!

- **REMINDER:** Families CAN make payments online - We do have a separate CAMP account, but you can click on Camp to designate it to that account!
- **REMINDER:** As long as it is clearly noted on the check that the payment goes to the Camp fee, checks may be made out to **Burton Elementary, or Ledgemont Elementary**
- Send payments to Mrs. Hochschild at BE (a receipt will come home that day)
- Send payments to Mrs. McKeon at LE office

Final cost notices will go out in early April after tallying fundraising discounts! We hope to be less than last year! (Always our goal every year! :) Last year was \$284.00

---

### Camp Program News:

Planning continues for new and exciting programs for this year's week at Camp Whitewood! Reminder that camp week is Tuesday, May 8- Friday, May 11, 2018

### Other Thoughts: **Planning for camp prescriptions or over the counter medicines!**

Do you have a sixth grader who has prescription medications to take? Have no fear!

- Chad Russell, our long time camp "nurse" is once again going to be there on site at Camp Whitewood 24 hours a day.
- Mrs. Pinkava and Chad work closely together to have all meds administered at the designated times.
- **TO-DO LIST!** Because prescriptions can and do change over the year, parents will need to obtain an original doctor's prescription for us to have out at camp. This is sometimes a challenge to obtain from the doctors! **START NOW!** You can get them and send them into the office in care of Kathy Pinkava, our nurse! She will be happy to organize as much as possible as early as possible.
- If your sixth grader is forgetful, Chad is amazing about chasing them down at meals or wherever they may for their scheduled meds.
- All meds (over the counter or prescription) must come to camp in original packaging! No medicines may be sent in sandwich bags or other containers. Sounds odd, but it has happened!
