- 3 plain colored pocket folders with 3 prongs inside for paper insert (no binders please)

While preparing your child for Kindergarten, here are lists of suggestions which will make his/her adjustment to school much easier for them.

1. **All** outer items of clothing **must be labeled** with the child's name, including snow pants and boots.
2. **Boots, gloves, mittens, hats, coats, shoes, etc., should all be easily put on and fastened, as the children will be expected to dress themselves.**
3. Money sent to school for any reason, (lunch, books, etc.) must be in an envelope or some safe container such as change purse etc. and **must be labeled** as to intended use of money and with **child's first and last name**. (zip lock bags work best and can be used over and over again.)
4. **Velcro shoes only**, unless your child can tie shoes independently without assistance.
